

INDUSTRIAL CONTROL GROUP

PROVIDING EXCEPTIONAL KNOWLEDGE AND SERVICE

TAKE CONTROL

THE RIGHT PRODUCTS, FOR THE RIGHT JOB, AT THE RIGHT TIME.

In today's ever-changing industrial climate, businesses are continuously competing to build manufacturing solutions that reduce costs, increase product quality and help improve their productivity. To compete effectively you need a breadth of reliable and appropriate products to fit your specific needs.

Perhaps more importantly, your applications require accurate product selection, coordination, and installation of a multitude of individual automation components, from push buttons, sensors and contactors to drives, communication networks and controllers.

Quality, reliability and ease of integration can mean the difference between productivity and lost revenue, but you also need a quality component supplier that has a reputation for providing the right product, for the right job, at the right time...first time.

Routeco Industrial Control Group (ICG) provides you with the control products, solutions and support that you need. From push buttons right through to Intelligent Motor Control devices and smart controllers, our vastly experienced ICG team Product Sales Specialists have a wealth of knowledge and application experience.

Our Product Sales Specialists can provide you with:

- > A comprehensive range of quality Industrial Control Equipment.
- > Reliable and accurate product configuration and selection.
- > Product conversions / obsolescence migration.
- > Dependable application and product assistance.
- > Full pre-sales technical support.
