Flexible printing on plastic and metal markers

The PrintJet ADVANCED is an inkjet printer which prints on plastic markers in MultiCard format and metal markers of the MetalliCard family. Thanks to its high loader capacity, it is ideal for printing large volumes in continuous operation. The precise colour printing and thermal fixing guarantee optimum print results for the durable identification of equipment. With these properties, the PrintJet ADVANCED brings efficiency to the operating process – whether operated with the M-Print® PRO software or as a stand-alone solution with preconfigured print templates.

Your benefits at a glance:

- Precise colour printing
- Serial printing of metal markers
- High level of automation thanks to loader capacity of 30 MultiCards
- Durable and robust markers thanks to thermal fixing
- User-friendly operation thanks to intuitive touch display
- Can be used as stand-alone solution

General ordering data

Type	PJ ADV TNTK INK K
Order No.	1338690000
Version	Marking systems, Ink tank, Black
GTIN (EAN)	4050118143300
Qty.	1 pc(s).
