1) Product catalogue numbers may be suffixed with "K" indicating a conformal coating option. Both catalogue numbers are certified to the directives referenced.

2) Products of the series level indicated, as well as succeeding series levels, are certified to the directives referenced. If no series number is given, then all series are certified to the directives referenced.

No = Product is not certified to this directive.
Yes = Product is certified to this directive.
N/R = This directive is not required for this product
